

FLAMINGO FLOCKING

Sponsored by Safe Space

How Flocking Works

You can flock a friend, family member, or neighbor for a donation of **\$20 per flock request**. A trained Flamingo Flocking Technician (volunteer) will secretly place a Flock of Flamingos in the front yard of the address you provided. Flamingos and signs with information about Flamingo Flocking, Sexual Assault and Child Abuse awarenesses will be delivered in the evening, and will remain in the yard for no more than 24 hours. **Sorry, our birds may not migrate onto public property or at apartment complexes!**

How Flamingos Are Removed

The Flamingos will be removed from their "landing site" by a trained Flamingo Flocking Technician (volunteer) within 24 hours. A donation of **\$20** can forward the Flamingos to another location. Requests can be made by filling out the Flocking Order form.

Please make checks payable to **Safe Space**. Attach your check to the Flocking Order Form and mail to:

How to Avoid Being Flocked

You may buy insurance for the flocking season. Without insurance you could be flocked several times!
PRE-FLAMINGO INSURANCE: AVAILABLE NOW through March 31, 2015 for only \$10!

Flamingo Flocking occurs April 1 – April 30

All attempts will be made to deliver the flamingos as close to the ordered date as possible. Deliveries will not occur if extenuating circumstances prevail (locked gates, extreme weather, etc.) Flocks may not migrate onto public property or apartment complexes. Flocking is done in good spirits and is not meant to be mean.

Flocking is done in good spirits and is not meant to be malicious. Also, to make this fundraiser successful, we must have willing participants. Flock removal does not require payment, but a donation to benefit Safe Space would be greatly appreciated. The Flamingos are precious property to us and we want to keep them in our possession so all can enjoy. If you have any questions, call the Flamingo Hotline at 406-782-9807 or visit our website:
